ATTACHMENT

The amendment filed under 37 CFR 1.116 on May 9, 1994 has not been entered because it raises a new issue and renders claims 1-14 and 16-12 indefinite under 35 USC 112 second paragraph. The language "... or of another cryogenic device" (claims 1 and 2) is alternative in structure.

The Information Disclosure Statement (IDS) filed on May 9, 1994 has not been made of record but has been placed physically in the file because the applicant has not complied with 37 CFR 1.97(d) which requires the following to accompany the IDS:

- (i) a certification as specified in 37 CFR 1.97(e) (see the discussion in B(2)(ii) above),
- (ii) a petition requesting consideration of the information disclosure statement, and
- (iii) the petition fee set forth in 37 CFR 1.17(i)(1).
